
CHAPTER 7**PUBLIC AND PAROCHIAL SCHOOL INFORMATION****7-1. FORT LEAVENWORTH PUBLIC SCHOOLS (UNIFIED SCHOOL DISTRICT (USD) 207)**

The Kansas State Legislature has designated the Fort Leavenworth Federal Reservation as a Unified School District and, as such, operates a public school system under the supervision of the Kansas State Department of Education. Fort Leavenworth schools are not part of the Department of Defense dependent school system. The Fort Leavenworth schools are considered to be among the best in the nation and occupy a position at the very top of the educational system in the state of Kansas. This enviable position begins with a student body of exceptionally high quality and parents who have an unusually high level of formal education and a sincere interest in the schooling of their children. The Fort Leavenworth schools serve the students who reside on the Federal reservation and enroll approximately 1,643 students in kindergarten through grade 9. There are three elementary buildings and one junior high school on post. Senior high pupils residing on post may attend Leavenworth Senior High School or Immaculata Catholic High School in the City of Leavenworth. Post transportation provides busing for senior high pupils attending Leavenworth High School.

a. Enrollment. The Fort Leavenworth School District does not have an open enrollment policy. Students residing on the Fort Leavenworth Military reservation or the Leavenworth Federal Penitentiary property are eligible to attend the district schools. The Board of Education and Superintendent may allow an exception to policy in other circumstances, which will be evaluated on a case by case basis. Students of active duty military assigned to Fort Leavenworth but not living on the installation require an exception to policy to attend the district schools (Attendance Eligibility Approved by the Board of Education 27 July 2006). Approval of exception to policy is guaranteed for US students of CGSC families who are eligible but unable to secure quarters on Post (Exception to policy letter is a required formality for state and federal report documentation). Any student enrolled in the prior school year may continue in the system. Enrollment for junior high students is usually held the first week of August at Patton Junior High School and enrollment for elementary students is held the second week of August in the building the child will attend. Unified School District 207 believes in the "neighborhood school" concept and assigns students to schools based on housing areas. If applicable, please return the enclosed pre-enrollment card. Further information may be found on the Internet at www.ftlvn.com or contact the superintendent's office, 913-651-7373.

b. Immunization Requirements. See paragraph 7-5c for details.

c. Fees and Supplies. There are no enrollment fees for Grades K through 9. Students attending Patton Jr. High are required to purchase a gym suit and an Agenda.

d. School Calendar. The annual schedule for school activities is planned in coordination with the CGSOC schedule. The public school year begins on or about the same date that CGSOC begins, and ends prior to the time officer students' graduate from the College. When possible, vacation periods during the school year are coordinated with vacation breaks in the CGSOC schedule.

e. Transportation. USD 207 buses all students enrolled at Eisenhower Elementary and Patton Junior High Schools, with the exception of those students living in Normandy and Osage Villages. Bus schedules are posted on the front of the school buildings the Friday prior to the first day of school. The district is not required to bus students under Kansas's law, but provides transportation at no charge as a service to the community. The Fort Leavenworth Transportation Office provides school bus service to

students residing on post who attend Leavenworth High School. Students are picked up at designated post locations and transported to school. They are returned to these locations at the end of the school day. For more information, call 913-684-5637.

f. Facilities. The Fort Leavenworth School District operates three elementary buildings for kindergarten through grade 6 students and a junior high school for grades 7, 8, and 9 students. All buildings are modern, air conditioned, and include full service kitchens, cafeterias, libraries, music and art rooms, auditoriums, gymnasiums, computer labs, and special rooms to meet the needs of the curriculum.

g. Curriculum. All Fort Leavenworth schools are fully accredited by the Kansas State Department of Education and the North Central Association Commission on Schools. Emphasis at post schools is placed on academics, with test scores indicating above average achievement, and on creating a safe, welcoming, and orderly environment for your children. Kindergarten classes have full-day sessions. Parents can choose to have their child/children attend only half-day.

h. Special Services. Fort Leavenworth School District is one of six school districts participating in a Special Education Cooperative. As a part of the Leavenworth County Special Education Cooperative (LCSEC), the children of Fort Leavenworth residents will have access to all programs should a child need them. Programs offered include: Early Intervention and Development Services, Learning Disabilities, Speech and Language, Occupational and Physical Therapy, Gifted, Severe Multiple Disabilities, Mental Retardation, Deaf/Hard of Hearing, Visually Impaired, Emotional Disturbance, Autism, Adapted Physical Education, and School Psychology.

(1) All schools on post have services for speech and language, learning disabilities, occupational and physical therapy, gifted, and school psychology. All other services not provided on post are available in the LCSEC, and transportation is provided by the Board of Education. The Early Intervention and Development Services program is available for qualifying 3 and 4 year olds.

(2) Information concerning Special Needs children, who will be attending school at Fort Leavenworth, Leavenworth, Lansing, Easton, Tonganoxie, or Basehor-Linwood, can be obtained from the Leavenworth County Special Education Cooperative, 730 First Terrace, Lansing, KS 66043. The phone number is 913-727-1755. You may also visit their website at www.lcsec.org.

i. Hot Lunch Program. All schools are equipped with excellent cafeterias. They participate in the Federal school breakfast and lunch program. This permits them to serve a complete breakfast and a balanced, five-part lunch, to include milk or juice, for less than its actual cost because of Federal and State reimbursements on all student lunches.

j. Physical Education. A well-balanced program of physical education is provided for all grades. Emphasis is placed on a strong physical fitness program from kindergarten through junior high levels. At junior high level, in addition to the regular physical education program, intramural and interscholastic sports programs are offered to boys and girls.

7-2. LEAVENWORTH PUBLIC SCHOOL DISTRICT (USD 453)

Leavenworth Public Schools are an important part of the past and a major contributor to the future of our Fort Leavenworth community. The Leavenworth School District is the largest district in the Leavenworth/Fort Leavenworth area offering the greatest diversity of courses and programs. The district is recognized in the educational community for innovative programs focused on success for all the students it

serves. Graduates have been recognized for leadership and significant contributions in their career fields throughout the nation.

a. District. The Leavenworth Public Schools are currently organized with six elementary schools for grades pre-kindergarten through 5, two middle schools for grades 6 through 8, and Leavenworth High School for grades 9 through 12. All schools in the Leavenworth School District maintain the highest accreditation granted by the state of Kansas. Leavenworth High School is a member in good standing with the North Central Association, which accredits high schools throughout the Midwestern United States. The high school is classified 6-A, the designation granted the largest high schools in Kansas by the Kansas State High School Activities Association.

b. Board of Education. The Leavenworth Public Schools are governed by a seven-member Board of Education elected by the public. The Board of Education meets in public session on the first and third Wednesday of each month. The first meeting of the month is held at 7:00 p.m. at the Administrative Offices, 200 N. 4th Street. The second meeting of the month is held at noon at one of the schools. Contact the Administrative Office 913-684-1400, to determine which building is scheduled for the meeting you want to attend. The public is invited to attend meetings of the Board of Education. An agenda for board meetings is prepared in advance and is available to the public at the district's administrative office. Every agenda contains a section for "Comments from the Public" where the patrons of the district may express their desires to the Board of Education.

c. Students and Staff. The Leavenworth Public Schools enroll approximately 4,400 pupils representing a wide variety of cultural backgrounds. Of the certified personnel employed by USD 453, over 40 percent hold advanced degrees in education. There are 280 support personnel who prepare and serve lunch, clean and maintain the facilities, and meet and communicate with patrons.

d. Programs.

Pre-kindergarten programs in all schools	Weighted grades in high school
ACT test results above the national average	Oldest JROTC program in the United States
Comprehensive Special Ed to include gifted program	Alternative school for students grades 6 through 12
18:1 pupil/teacher ratio	Award winning fine arts program
English as a Second Language offered at all levels	Championship caliber athletic programs
Quality Performance Accreditation--Pilot School District	Advance placement classes in math, science, English, and social studies
Nearly 80 percent of graduates pursue postsecondary education/training	Internet available at student workstations; Distance Learning available at all schools
Five seniors recognized for successes and accomplishments in the National Merit Scholarship Program (2003)	Six or more computers in every elementary classroom and in the middle and high school language arts and math classrooms; computer labs in both middle schools and the high school

e. Involved Parents. Research has demonstrated that individual children and schools are most successful when parents are actively involved in all aspects of the educational process. Leavenworth USD 453 is very committed to the active involvement of parents in their children's education. To make parent involvement possible, the district invites parents to interview applicants for building principal positions,

provides parent/teacher conferences at all grade levels (K through 12), supports site-based management involving parents in school building decision-making, encourages and supports parent support groups in the secondary schools, and offers parenting classes for elementary school parents. Leavenworth USD 453 was one of the first school districts in Kansas to pilot "Parents as Teachers," a program to help support parents of children from birth to 36 months. Currently over 100 families are involved in this program. Parent partnerships in the Leavenworth Public Schools are a vital part of the school's success.

f. Enrollment. Enrollment procedure in the Leavenworth Public Schools for elementary and intermediate school students is typically held the second week of August by going to the building your child will attend. All schools in the district will be open beginning the first week in August to answer questions concerning enrollment procedures. Leavenworth High School is open throughout the summer. Appointments can be made to meet with a counselor to complete high school enrollment by phoning the school at 913-684-1550. Advertisements with dates, times, and locations for enrollment are placed in the *Leavenworth Times*, *Leavenworth Lamp*, *The Link*, and on Channel 2.

g. Fees and Supplies. A textbook and materials fee is charged to all students attending the Leavenworth Public Schools. This fee is annually reviewed and approved by the Board of Education. Parents are asked to pay the fee at the time of enrollment. The fee varies depending on the grade level of the student involved. Information specifically related to the annual fee can be obtained from each building.

h. Immunizations. Kansas law and Board of Education policy require that all children entering the Leavenworth Public Schools provide the superintendent or designated representative proof of immunizations. Students who fail to provide proof of immunizations, as required by law and school board policy, will not be allowed to attend school.

Parents should hand carry immunization records when they go to the school to enroll their children. At the time of enrollment, each student new to the Leavenworth Public Schools must show proof of at least the first series of immunizations for diphtheria, pertussis, tetanus (DPT) and/or tetanus and diphtheria (TD), and oral polio. New students must show proof of immunization for mumps, measles, and rubella (German Measles) (MMR). Those children entering kindergarten (or first grade if they have not attended kindergarten during the previous year) will need proof that they have received two doses of combined MMR vaccine prior to school entry. This is a Kansas Department of Health and Environment requirement.

i. Hot Lunch Program. Each school operates a hot lunch program. In the high school, students may purchase a Class A meal at a stated price or they may take advantage of a cafeteria-style selection of food with the cost depending on the food selected. In the middle and elementary schools, a standard hot lunch program is provided. The cost of the hot lunch program is reviewed by the Board of Education annually and the prices established. Specific price information may be requested from the building where the child will attend.

j. Transportation. The Fort Leavenworth Transportation Office provides school bus service to students residing on post who attend Leavenworth High School. Students are picked up at designated post locations and transported to schools. They are returned to these locations at the end of the school day. For more information, call 913-684-5637. For students living in the Leavenworth School District and attending school in their resident attendance center, free bus transportation is provided for those students who live 2.5 miles or more from their resident attendance center. For students residing less than 2.5 miles from their resident attendance center, transportation may be available on a fee basis. Parents must contact the Easton Bus Company, 913-682-2244, for free and parent paid bus services.

For more information, visit the Leavenworth Public Schools Web site at www.lvksch.org.

7-3. LANSING PUBLIC SCHOOL DISTRICT (USD 469)

The Lansing Public Schools serve the city of Lansing and the rural areas that are included in the boundaries of this school district. In addition, an area of approximately 6 square blocks located in the city of Leavenworth is located in the Lansing School District. The city of Lansing has a population of over 8,000 and a student population of approximately 2,000 students in kindergarten through grade 12. The district employs approximately 220 certified and classified staff. The staff consists of 120 classroom teachers. Approximately half the staff has advanced degrees. This district is fully accredited by the State of Kansas and also is a member of the North Central Accrediting Association.

The Lansing Schools operate four buildings for grades kindergarten through grade 12; a Kindergarten through grade 3, a 4th and 5th grade intermediate school, a 6th through 9th grade middle school, and a 9th through 12th grade high school. Board of Education policy reflects the philosophy that Lansing Schools are maintained for the primary benefit of the residents of the district, and nonresident students will be permitted to apply to enroll in the district. Resident students are defined as living with parent or legal guardian within the boundaries of the district. Exceptions to the Board of Education policy must conform to Kansas Law KSA 72-1046. For information concerning the district admission policy, contact the superintendent at 913-727-1100. Parents with a handicapped child who requires special education services should contact the Leavenworth County Special Education Cooperative at 913-727-1755.

a. Enrollment. Enrollment procedure in the Lansing Schools is typically held during the first week of August by going to the building your child will attend. All schools in the district are open during the summer for part of the week and part of the day. Call the district office at 913-727-1100 for the schedule of a particular school. All schools in the district will be open beginning the first week of August to answer questions concerning enrollment.

b. Fees and Supplies. Some fees are charged to all students attending the Lansing Schools. These fees are reviewed annually and approved by the Board of Education. Parents are asked to pay the fee at the time of enrollment. Fees vary depending on the grade level of the student involved. Information specifically related to the annual fee can be obtained from each building.

c. Hot lunch and breakfast programs. A hot breakfast program is provided for students in kindergarten through grade 8. A standard hot lunch program is offered for grade 1 through grade 12 with a salad bar available every day in grades 6 through 12. At the high school, students may select a "super meal" which is more food costing more money. The cost of the hot lunch and the breakfast program is reviewed by the Board of Education annually and prices established. Specific price information may be requested from the building where the child will attend.

d. Transportation. Lansing Schools provide bus transportation to and from school for most students living 2.5 miles from school. Students who live less than 2.5 miles from the attendance center may be bused at a cost of \$175 per child per semester. For information on bus transportation, call 913-727-3884 or the school your child will attend.

b. Saint Paul Lutheran School. Saint Paul Lutheran School offers Christian education from

preschool through grade 8. Before and after school child care programs are available for all students as well as day care for students enrolled in preschool and kindergarten. The curriculum emphasizes the relationship of Christianity to the entire field of learning. The school is located at 320 North 7th Street, Leavenworth, KS, which is 8 blocks south of the main gate of Fort Leavenworth. Accreditation is through the Kansas State Department of Education. For enrollment information call 913-682-5553.

c. The Christian Homeschool Alliance of Leavenworth, Kansas (CHALK). CHALK is a group of homeschooling families in the Fort Leavenworth/Leavenworth/Lansing area who have felt the call to educate their children at home. CHALK was established to provide support, encouragement and resources to home educators in the area. For more information you may call 913-682-8380 or visit our Web site at www.leavenworthhomeschool.org.

7-4. LEAVENWORTH PAROCHIAL SCHOOLS

The Leavenworth Regional Catholic School System offers a preschool program, an accredited elementary school with all day kindergarten, and a 4-year college preparatory high school.

The Lutheran Church offers an accredited elementary school. The Leavenworth Special Education Cooperative, which serves all schools in Leavenworth County, assists students with learning disabilities and administers the gifted programs.

a. The Leavenworth Regional Catholic School System (LRCSS). Members of the Fort Leavenworth community have attended Xavier Elementary and Immaculata High School for several generations. Military families can enjoy a highly rated academic curriculum that is also able to offer the faith development of religious, moral, and disciplinary values. With an abundance of students from active duty and retired military families (35 percent), Xavier and Immaculata students enjoy a strong, close-knit bond among family, school, parishes, and local community. From Fort Leavenworth the commute to any school campus takes no more than 10 minutes, with many families willing to carpool. Students of faith traditions other than Catholic often enroll in LRCSS, benefiting from a solid academic curriculum and faith-based education. Fourteen percent of the current student population is from other faith traditions.

(1) General information. Xavier Elementary School and Immaculata High School maintain the highest accreditation of the Kansas State Department of Education. Additionally, the North Central Education Association accredits Xavier. The North Central Association of Colleges and Secondary Schools accredits Immaculata. Both are members of the National Catholic Education Association.

α. Xavier Elementary and Immaculata High School have first-rate academic programs focused on the basics. Curriculum is set by the State of Kansas and the Archdiocese of Kansas City in Kansas (which exceed state academic standards). Students exceed national norms on standardized tests. At Immaculata the average ACT score is 24.1. At Xavier, the Iowa Basics score is typically in the high 80 percentile; national norm is 50 percentile.

The learning environment enables the serious student. Xavier has a 1:16 student teacher ratio and Immaculata a 10:1 student-teacher ratio. People who put Christian values first surround students. Disruptions are handled in a timely and age appropriate manner. Fewer distractions mean more teaching and learning.

Technology includes local area networks, broadband Internet access in every room, and staff dedicated to the integration of technology into the classroom. Computer labs/courses start in fourth grade; students in the primary grades have limited access to the Internet.

Parents are highly committed to children's education, and community support for Xavier and Immaculata is strong. Recognizing the strong link between parent involvement and children's success in school, a large number of parents participate in Xavier Elementary's Parent Teacher Organization and the Immaculata Booster Club. Parent-teacher conferences are required twice yearly.

Xavier Elementary School. The enrollment at Xavier is approximately 365 students. Curriculum is designed to lead students to positive self-image, integration of faith and life, service to others, and the development of basic and special skills in a Catholic atmosphere. People who put Christian values first surround children. Catholic education is a vocation for our teachers and administrators, who have a minor in theology. The Gifted Program is available to those who qualify. Before and after school care is available for all sites.

Xavier Elementary consists of four campuses within a 5-minute drive from each other. Each is strategically located next to one of Leavenworth's Catholic churches, benefiting from the support of the local parishes and clergy.

St. Casimir Campus: Early Childhood Center, 727 Pennsylvania --Preschool_ Preschool: two mornings per week, three mornings per week (3 and 4 year olds) or 5 afternoons per week (4 and 5 year old pre-K program). .

Sacred Heart Campus: Primary School, 1409 2nd Ave.--Kindergarten, 2nd, 3rd grades . Kindergarten is full day. All-day childcare is available for registered students. Classrooms are self-contained. Teachers cover a basic curriculum of Religion, Reading, Spelling, Mathematics, Language Arts, Science, Social Studies, Art and Physical Education. Computers and regular library use are integrated into classroom work. A Spanish teacher rotates through the year to different classrooms.

Immaculate Conception: Intermediate School, 522 Kickapoo—3rd, 4th, 5th grades. These grades offer a self-contained and a modified departmental program. Curriculum includes Religion, Reading, English, Mathematics, Science, Social Studies, and Art. Each class uses the library on a regular basis. Specialists teach Spanish, Computer, Music (instrumental and vocal), and Physical Education.

St. Joseph Campus: Middle School, 721 Osage—6th, 7th & 8th grade . Curriculum includes Religion, Literature/ Reading, English, Mathematics, Science, Computer, Social Studies, Spanish, Physical Education, and Spelling. The sports program is well developed and covered by the Kansas State High School Activities Association. Electives are offered on a quarterly basis, including choir, band, cardio-fitness, "brainiacs", art, graphic design, digital photography, science club and more.

Immaculata High School. Immaculata High School is a Catholic, coeducational school with a student population serious about college preparation. Enrollment is approximately 120 students. Immaculata Highlights:

<p>Serious learning environment. Graduates: 85% attend four year college, 10% attend two year college, 5% military, vo-tech school or other. 2006 graduates have earned hundreds of thousands of dollars in scholarships. Almost 70% of students complete the Kansas Board of Regents Core Curriculum vs. 19 percent of Kansas high school seniors. Fourteen faculty, of which 80% possess a Master's</p>	<p>Students exceed national and state norms on standardized testing. National average on the ACT is 20.9, the average score at Immaculata last year was 24.1. In 2006 Immaculata students scored well above average in the Kansas State Assessment test and met the standard of Excellence in Reading.</p>
---	--

Degree or higher. Low student to teacher ratio of 10:1..	
Faith-based education. Students study theology, participate in liturgy and prayer retreats. Students also perform more than 3000 hours of community service during each year, working at a homeless shelter, organizing blood drives, raking for the elderly and more.	Graduates attend schools nationwide. USMA, Notre Dame, Georgetown, Loyola Chicago, St. Louis University, Creighton, and regional schools; Rockhurst, K State, KU, and University of Saint Mary.
College Credit is offered for Junior and Seniors from University of Saint Mary, Kansas City Kansas Community College, and Northeast Kansas Technical College .	Technically integrated in classrooms. Computer labs, local area network, broadband internet access, solid course offering. Satellite TV.
Over 20 sports, clubs, and activities including a strong tradition of championship sports teams, yearbook, choral ensemble, Students Who Care (service organization), school newspaper and yearbook.	Close knit community, friendly atmosphere. Small classes, personal guidance from teachers help focus students' talents and enhance family atmosphere.

The Course Offerings Book describes courses in Theology, English, Social Studies, Math, Science, Fine Arts, Computer Technology, Physical Education, and Health. Electives include Spanish, French, and Business Courses. Vocational-technical courses and JROTC are available at the public high school and area vo-tech. The Course Offerings Book also outlines pre-college curriculum requirements for admission to Kansas colleges and universities, requirements for consideration for Kansas State Scholarship Programs/Immaculata graduation requirements, and recommendations for college bound students.

Men's sports include football, soccer, basketball, baseball, track, and golf. Available on a co-op basis with public school are swimming, wrestling, and cross-country.

Women's sports include volleyball, basketball, soccer, track, tennis and cheerleading. Available on a co-op basis with public school are cross-country, swimming, soft-ball and golf.

--	---	--

7-5. ENROLLMENT REQUIREMENTS FOR PUBLIC SCHOOLS

a. If you reside on post and wish to enroll your children in public school, kindergarten through grade 9, they will be enrolled in the Fort Leavenworth Schools. If you reside on post and wish to enroll a senior high student in a public school, they will be enrolled in Leavenworth High School in the city of Leavenworth. If you live off post in the cities of Leavenworth or Lansing and enroll children in the public schools, you will enroll your children in the Leavenworth School District or Lansing School District.

Parochial schools are available in the city of Leavenworth. A preschool for children 3 to 5 years of age is available on post at Family Support Center, 913-684-1659.

b. Age requirement enacted by the legislature of the State of Kansas, extract from Senate Bill No. 522:

(1) "Kindergarten: In any district maintaining kindergarten, any child who resides in the district and who will attain the age of five years on or before 31 August of any school year shall be eligible to enter kindergarten; any child who was a resident in another State and who, while residing in such other State, had entered and was in attendance in an accredited kindergarten in such State shall be eligible to attend kindergarten in this State, regardless of age."

(2) "First Grade: Any child who will attain the age of six years on or before 31 August of any school year shall be eligible to attend the elementary grades in the school district in which the child resides; any child who has completed a kindergarten course entered and attended in this State or who was a resident in another State and who while residing in such other State, had entered and was in attendance in first grade in such State or who had completed in such State a kindergarten course maintained by a public school district or by a state accredited private, denominational, or parochial school shall be eligible to attend first grade in this State, regardless of age."

c. The following subparagraphs deal with the specific physical examination and immunization requirements for entry into the school system and participation in interscholastic athletics and cheerleading. Forms referred to below will be provided on your arrival at Fort Leavenworth.

(1) Immunizations. Kansas State Law requires that any child entering school in Kansas for the first time must have the following immunizations: 5 DTaP (diphtheria, tetanus, pertussis), 4 Polio and 2 MMR (measles, mumps, rubella), except (1) certification from a licensed physician stating the physical condition of the child to be such that the test and immunization would seriously endanger his/her life or health or (2) give written objection on religious grounds.

Beginning in school 2007-2008, two doses of varicella-containing vaccine will be required for students entering kindergarten or first grade. A second catch-up dose of varicella vaccine is recommended for children and adolescents who previously had received one dose to improve individual protection against varicella and for more rapid impact on school outbreaks.

Immunization for hepatitis B is required for any Kansas student enrolling in kindergarten, first grade, second grade and third grade classes for the 2007-2008 school year.

Varicella Vaccine will be required unless proof of prior varicella disease is presented to the nurse. HIB (haemophilus influenza Type B) immunization is recommended. The certification is to be accomplished on Kansas Department of Health and Environment/Kansas State Department of Education Form M1-62 (Kansas Certification of Immunization) (a two-part green form). The form(s) should not be dated prior to 1 June of the academic year in which the student participates. This form is available through Munson Army Health Center.

(2) Physical examination. Kansas regulations require all children who are 8 years old or younger entering Kansas schools for the first time to have a physical examination completed after 1 January of the upcoming academic year, and on file with the school nurse at the time of enrollment. This physical may be obtained at your current duty station, an out-of-state form is acceptable. A child entering into a day-care program or preschool (required for Fort Leavenworth Preschool) must have a physical examination and certain current immunizations, because these are licensing requirements established by the Kansas State

Department of Health and Environment. The certification is to be accomplished on Kansas Department of Health and Environmental Form HA-1 (Medical Record for Children Receiving Day Care) (a one-part yellow form).

(3) Athletic physicals. Kansas law stipulates a student must pass a physical examination before taking part in interscholastic athletics or cheerleading. The physical examination must be taken after 1 May of the upcoming academic year. The results of the physical examination and the physician's statement must either be documented on a Kansas State High School Activities Association Form or an out-of-state form which will be attached to a Kansas form, requiring the parent's or guardian's signature. A Kansas Sports Physical form can be obtained at the junior high school, Board of Education office, or the clinic on post.

7-6. SCHOOL TEACHER INFORMATION

The following addresses provide information on employment in the Fort Leavenworth and local educational systems:

Assistant Superintendent Fort Leavenworth Unified School District 207 207 Education Way Fort Leavenworth, KS 66027-1425	Principal Immaculata High School 600 Shawnee Street Leavenworth, KS 66048
Assistant Superintendent of Personnel Leavenworth Board of Education Unified School District 453 200 N 4th Street Leavenworth, KS 66048-2057	Principal St. Paul Lutheran School 320 North 7th Street Leavenworth, KS 66048-1857
